Abraham is to be a sign of God's blessing for all humankind. We are all blessed with this incredible planet we call earth. Yet the distributin of its resources among God's people is very uneven. As we continue our journey with *Operatin Rice Bowl* this week, we pray for justice and equity in meeting people's basic needs. We fast to recall the abundance we enjoy, while many lack the bare necessities. We give alms to help those who are less fortunate than ourselves. The Transfiguration call us to hope for future glory where all will share in God's goodness.
