In response to Pope John Paul II's proclamation of 2005 as the year of the Eucharist, a group of the Catholic Center Community have agreed to sign up as many people as possible for the above period so that there will always be people present before the Blessed Sacrament each Thursday. We invite all students, faculty, staff and members of the Catholic Center to sign up for a time between noon and 4:45 pm bringing with them their cares, problems, joys and successes to Jesus in the Eucharist..

**The Man Born Blind: How are we blind?** Whom don't we see or what don't we notice happening around us? As we continue our journey this week, we **pray** for sight to see the needs of our brothers and sisters around the world. We **fast** so that our hunger heightens our awareness of those in need of better health facilities and healthier living conditions. Our **almsgiving** is a way for us to show those looking for hope that there are others who care about their plight.
