In response to Pope John Paul II's proclamation of 2005 as the year of the Eucharist, a group of the Catholic Center Community have agreed to sign up as many people as possible for the above period so that there will always be people present before the Blessed Sacrament each Thursday. We invite all students, faculty, staff and members of the Catholic Center to sign up for a time between noon and 4:45 pm bringing with them their cares, problems, joys and successes to Jesus in the Eucharist..

**The Raising of Lazarus** - Martha and Mary are beside themselves with grief at the death of their brother, Lazarus. When death strikes close to us, we are truly upset. We need to pray for those who face unnecessary death around the world due to lack of proper medicines or poor sanitary conditions. As we continue our journey with Operation Rice Bowl this week, let us fast as a sign of mourning for all those hundreds of thousands of children who die each year. Let our almsgiving support operation Rice Bowl to direct funds to carry on projects designed to bring clean water and sanitation facilities to improve the health of people in communities around the world.
