Religious Education Program

Thanks and appreciation to the religious education team students, parents, teachers and center staff. Our classes started off very well and with great attendance. We look forward to a great year.

**Athens Area Habitat for Humanity** is hosting another Women Build project starting October 8th. The Just Faith group at the C.C. has offered to do the first day of the build, which is Saturday 10/08/05. We need 15-18 women volunteers to work from 8:30 am-3:00 pm. The first phase of the build will take place in Lowe's parking lot. For more details see the flyers in the back of church or call Brenda Rozek @ 769-7203.

A family member of Cindy Shapland realized that the private sector wanted to put a name and face with the support they were giving to help Katrina victims. She is looking for 100 sponsors who are willing to adopt a family in the Bay St. Louis area. The sponsor group would have direct contact with a family and would address the immediate and long term needs of an individual family. If interested, email [atorinana@aol.com](mailto:atorinana@aol.com)

Help stop hunger in and around the Athens area by joining the on-going community effort. CSA and Pax Christi are hosting volunteer opportunities, which correspond to the needs that the group identified as important to a just community. Wasting food is unjust and unacceptable when there are hungry mouths! Please contact Daniel Bourdua, [dbourdua@uga.edu](mailto:dbourdua@uga.edu) or 678-936-2606. We will first work with Full Plate, which is located just off the east side of campus in the Action Inc. building 594 Oconee ST.
