## CONFESSIONS BY APPOINTMENT

**THE CHURCH IN LATIN AMERICA:** This week is the National collection for the Church in Latin America. Your gift helps fellow Catholics in Latin America and the Caribbean who are rich in spirit but lacking in material resources to participate more fully in the life of the Church. Several recent grants to the Collection were used to: train seminarians; provide pastoral care with those infected with HIV/AIDS; provide formation training to pastoral ministers in rural parishes; provide formation to high school students to serve as pastoral agents; and to develop and execute diocesan pastoral plans. Over the past five years, the Collection for the Church in Latin America has faithfully distributed 87% of its annual income as pastoral grants. Please contribute generously. For more information see [www.usccb.org/latinamerica](http://www.usccb.org/latinamerica)

**America** is a continent born of immigrant peoples who came to live in these lands. Our continent has consistently received immigrants and refugees from other lands. Our common faith in Jesus Christ moves us to search for ways that favor a spirit of solidarity. Faith transcends borders. Discrimination and violence robs a person of human dignity. Take time to study immigration reform issues. In Georgia HR 256 and Nationally HR 4437 have extreme consequences for all persons of faith. You will find information, Church teaching, Scripture, and ways to take action, at the Justice for Immigrants Campaign website. Click on: <http://www.justiceforimmigrants.org>
