CHOIR PROJECT: Would you like to brighten someone's day through the ministry of music? Are you 55 years old or older? The Senior Corps of the Athens Community Council on Aging is in the process of recruiting volunteer singers to participate in a proposed new choir project. The R.S.V.P. (Retired Seniors Volunteer Program), one of the largest volunteer efforts in the nation since 1971, has matched local problems with older Americans 55 or older who are willing to help. The singers will be entertaining at local nursing homes and personal care homes with inspirational spiritual songs. Please call Emory Griffith at 706-549-4850 at the Athens Community Council on Aging to volunteer your services to this new endeavor.

"It is the duty of the laity—without idly waiting for norms and precepts from others –by their free planning and initiative to permeate not only (people's) customs and mentality but also the laws and structures of the civil community with a Christian sense of life."
