NEW JUST FAITH CLASS: Do you find yourself wondering how to live your faith in today's violent and complex world? Do you wish you understood more about why poverty exists? Living our faith with today's challenges takes reflection, study, prayer and community. All of these are offered in the Just Faith Program, an intensive two year thirty week program that helps to answer these questions through reflection, study, prayer and community. Consider joining a group that starts this September. For more information contact Annette Raymond at 706-546-8765 or annetteraymond@mindspring.com.

MEDJUGORJE NEWS: Catholic Online reports that Bishop Ratko Peric of Mostar-Duvno, Bosnia-Herzegovina, said the church "has not accepted, either as supernatural or as Marian, any of the apparitions" said to have been witnessed by a group of people from Medjugorje. Since June 24-25, the alleged visionaries claim to have received more than 30,000 messages. But Bishop Peric said in his homily that "so-called apparitions, messages, secrets and signs do not strengthen the faith, but rather further convince us that in all of this there is nothing either authentic or established as truthful." Catholic Online said he also warned his audience of a schism emerging in the region between the church and more than a dozen Franciscan brothers and priests who have been expelled by the General Curia of the Order of Friars Minor in Rome because of their disobedience to the pope.
