**The Arch
Society Legacy
Campaign Goal
is
\$100,000**

A very nice conference room space has been reserved for The Arch Society Legacy Room. This space will be used for Arch Society meetings and will be a place for students to congregate and experience the history of this prestigious organization. Additionally, it will serve as a venue for Arch Society alumni to gather, reminisce, and feel proud of their contributions to the University of Georgia. All multi-year donors will be recognized as generous contributors to the Arch Society Endowment Fund on a plaque displayed in the Arch Society Legacy Room.

The Arch Society Endowment Fund will provide the resources necessary to award students for their outstanding performance, assist with operational costs of the program, create Arch Society Alumni Event gatherings, and live in perpetuity to forever provide financial stability and security to the landmark society at the University of Georgia.

Create a lasting legacy in your name, claim your spot in history at the University of Georgia, support the growth and success of The Arch Society, create a place for students and alumni to gather, and serve as a role model for current students to give back and support the University of Georgia. Make your pledge today!

*Remember what it felt like to serve UGA in your black blazer?
Help students wear the black blazer with pride and humility!*
