

I am pleased to inform you of a unique scholarship opportunity available to graduating seniors who will be attending the University of Georgia next fall. Here at UGA, Delta Tau Delta Fraternity prides itself on our commitment to scholastic achievement, campus leadership and community service and would like to recognize and reward students who have excelled in similar areas at the high school level.

The 2007 Committed to Lives of Excellence Scholarships was created because Delta Tau Delta believes that we all have the potential to obtain excellence and make a significant impact on our schools, on our communities and ultimately, in our country. Furthermore, we believe that excellence should never be limited by financial circumstances and by awarding these scholarships we hope to give new students the same opportunities we all have had. This year, two scholarships will be awarded to men who have demonstrated excellence in academics, leadership, and community service for \$500.00 and \$300.00 respectively. Thank you for taking the time to learn about this opportunity and we encourage you to complete and submit the application by June 1, 2007.

Brad Yochum  
Vice President  
Delta Tau Delta Fraternity
