

**ICJE of Georgia**  
Common Registration Form

This common program registration form may be downloaded from the ICJE's website for mail-in use in connection with any ICJE sponsored course. However, to learn about the specific timing, contents, expense and reimbursement parameters connected with each course registrants must contact the ICJE. Such program elements vary among the many activities sponsored by the ICJE, and they are not addressed by this registration form or process. Submittal of a common program registration form does not guarantee confirmation of a place in the designated course.
