Dear Chapter Presidents/Fraternity and sorority members,

Sophomore Leader's Circle is a program designed to prepare members for leadership roles within your chapter and the Greek community. All sophomore Greek students are invited to apply to the program. For this program, sophomore can also be defined as a person in his/her second year of Greek membership (regardless of class standing).

The Sophomore Leader's Circle serves as an opportunity for sophomore Greek students to enhance leadership skills, to learn about working with others in the Greek and campus community, and to open dialogue with other students, staff members, faculty, and administrators. Chapter members who participate in this program will develop the skills necessary to truly excel in a leadership position.

We are asking that each chapter encourage dedicated and enthusiastic sophomore members to apply for this amazing opportunity, particularly those who have expressed interest in holding leadership positions. Those selected will be asked to commit to bi-monthly meetings during the late fall and early spring semester. We will be selecting a group of approximately 40 members for membership into the program. A completed application must be submitted by Monday, October 26, 2009 at 12 noon to the Office of Greek Life. In addition, applicants need to sign up for interviews to be held on Monday, October 26 and Tuesday, October 27.

If you have any questions or concerns please feel free to contact me at 706-542-4612 or by email at [cshamp@uga.edu](mailto:cshamp@uga.edu).

Sincerely,

Claudia Shamp

Associate Dean for Greek Life
