Important Information about Baldwin Hall

2 Accessible Levels
(Ground and 1st floor)
Classroom (G-20) and offices on the east side of the building are accessible from the automatic door on the ground level. The first floor is accessible through the automatic door at the main entrance.

5 Accessible Restrooms
Accessible women’s restrooms are located on the ground level in G-26 and on the first level in the vending area. Accessible men’s restrooms are located on the ground level in G-24 and on the first level in the vending area. An accessible unisex restroom is located on the first floor to the right of room 151B.

Students, faculty, staff, and visitors with limited mobility should contact Dr. William Finlay (542-2421) to make arrangements for program access.

Disability parking must be arranged through Parking Services.

For additional assistance or information, please contact the Disability Resource Center at 706-542-8719.
