**Important Information about the Driftmier
Engineering Center**

*2 Accessible Levels
(Ground and 1)*

The Driftmier Conference Room lobby is inaccessible. However, the conference room itself is accessible via the ground floor.

3 Accessible Restrooms

An accessible men's restroom is located on the 2nd floor. Accessible women's restrooms are located on the ground level and 1st floor.

Disability parking must be arranged through Parking Services.

For additional assistance or information, please contact the Disability Resource Center at 706-542-8719.
