### COURSE DESCRIPTION

This course will examine the policy problems concerned with the formation of a political architecture of the global system. The course will be divided into three segments:

- a. **The economic, political and cultural context of the globalisation: A general overview**
  1. Geopolitical and economic history of the globalisation
  2. The 2008 global crisis
  3. The current transition in the model of world order
  
- b. **Scenarios**
  1. The tendency toward international disorder
  2. The tendency toward a new multilateral order
  3. The (post)crisis global effect
  
- c. **Proposed Strategy**
  1. The "Grand Alliance" model
