 706-542-4959 – Fax for Health Forms

Name _____
 SSN _____
 Date of Birth _____

TUBERCULOSIS (TB) SCREENING QUESTIONNAIRE (REQUIRED)

Complete this form and return to the University Health Center prior to the first day of class at UGA.

- Have you ever had a positive TB skin test? Yes No
- Have you ever had close contact with anyone who was sick with TB? Yes No
- Were you born in one of the countries listed below* and arrived in the U.S. within the past 5 years? If yes, please CIRCLE the country. Yes No
- Have you ever been vaccinated with BCG (bacille Calmette-Guérin) vaccine? Yes No

If the answer is YES to any of the above screening questions, you must complete page 3.

The University of Georgia requires that students complete a tuberculosis risk assessment by a physician or healthcare facility in the United States or Canada. This TB Risk Assessment (pages 3) must be completed no later than 30 days following the first day of the initial semester at UGA. TB Risk Assessment may be completed at the University Health Center, UGA, Athens, GA, following the first day of classes during the initial enrolled semester.

If the answer is NO to all of the above questions, no further assessment is required.

Mail this signed form to the University Health Center, The University of Georgia, Athens, GA, 30602 or fax to 706-542-4959.
