Major: Health Promotion
Area of Emphasis: Health Services (B.S.H.P.)

The health services area of emphasis prepares students for graduate level work with an emphasis on disease prevention and wellness. Graduate work may include pre-physician's assistant, pre-medical or pre-dental, or other professional health services programs.

Freshman and Sophomore years (60 hours) Courses that meet the General Education Curriculum Areas I through V may be found at: <http://bulletin.uga.edu> or <http://www.curriculumsystems.uga.edu/ucc/GenEdCore.pdf>

I. Foundation Courses (9 hours)		V. Social Sciences (9 hours)	
ENGL 1101	(3)	HIST 2111 or 2112	(3)
ENGL 1102 or 1102M	(3)	POLS 1101	(3)
MATH 1113 or 2200 or 2250	(3-4)	PSYC 1101	(3)
II. Sciences (7 hours)		VI. Courses Related to the Program of Study (18 hours)	
Physical Sciences (CHEM 1211/L preferred)	(3-4)	(Grade of C or better)	
Life Sciences (BIOL 1107/L preferred)	(3-4)	HPRB 1710	(3)
III. Quantitative Reasoning (3 hours)		CBIO 2200	(4)
(MATH or PHYS or CSCI preferred)	(3-4)	CBIO 2210	(4)
IV. World Languages and Culture, Humanities, and the Arts		BIOS 2010	(4)
World Languages and Culture	(9)	CLAS 1030 or CHFD 2100/2200	(3)
Humanities and the Arts	(3)	PEDB (1 hour)	(1)

Entrance requirements for the major may be found at http://www.publichealth.uga.edu/hpb/academics/bshp_application.html This major is a high demand major and applications are accepted each fall and spring semester. Additional information may be found at bulletin.uga.edu/ under the Health Promotion major.

Junior and Senior years (60 hours). A grade of C or better is required for all major required and major elective courses.

Major Requirements (42 hours)

FDNS 2100	Human Nutrition and Food	(3)
PSYC 2101	Psychology of Adjustment	(3)
KINS 3700	Applied Exercise Physiology	(3)
PBHL 3100	Introduction to Public Health	(3)
EHSC 3060	Introduction to Environmental H.	(3)
EPID 4070	Fundamentals of Epidemiology	(3)
*HPRB 3020	Introduction to Health Promotion	(3)
*HPRB 3700	Community Health	(3)
*HPRB 4400	Health Prom. Program Dev.	(4)
*HPRB 3470	Practicum in HPRB (100 hrs)	(2)

General Electives (12 hours of lower level sciences)

CHEM 1212/L	(4)	Choose three:
CHEM 2211/L	(4)	1. _____
CHEM 2212/L	(4)	2. _____
BIOL 1108/L	(4)	3. _____
PHYS 1212/L	(4)	
MIBO 2500/L	(4)	

Major Electives (18 hours of upper level sciences)

Choose five or six:
1. _____
2. _____
3. _____
4. _____
5. _____
6. _____

*starred courses must be taken in sequence

Major Electives for the Health Services Area of Emphasis:

Major electives should be chosen in consultation with your major advisor. Check pre-requisites as many courses have them. Some courses may require permission from the department offering the course

BCMB 3100	(4)	Introductory Biochemistry and Molecular Biology
BCMB 4010	(4)	Biochemistry and Molecular Biology I
BCMB 4020	(3)	Biochemistry and Molecular Biology II
BIOL 3500	(4)	Ecology
CBIO 3000	(4)	Comparative Vertebrate Anatomy
CBIO/ IDIS 3100	(3)	People, Parasites, and Plagues
CBIO 3200	(1-3)	Medical Anatomy (directed study)
CBIO 3300	(4)	Developmental Biology
CBIO 3400	(4)	Cell Biology
CBIO 3710	(3)	Principles of Physiology
CBIO /IDIS 4100	(3)	Immunology
GENE 3200	(4)	Genetics
GENE 4050	(3)	Behavior Genetics
MIBO 3500	(3)	Introductory Microbiology
MIBO 3510	(3)	Introductory Microbiology Laboratory
VPHY 3100	(3)	Elements of Physiology

Entrance requirements for the major may be found at http://www.publichealth.uga.edu/hpb/academics/bshp_application.html This major is a high demand major and applications are accepted each fall and spring semester. Applications are to be completed and turned into the College Office (N124 Coverdell Center). Additional information and requirements for the BSHP degree may be found under the health promotion major at <http://bulletin.uga.edu>

Please note that pre-requisites apply for many courses. Several required courses have pre-requisites and must be taken in sequence including KINS 3700, HPRB 3020, HPRB 3700, HPRB 3460, HPRB 4400, HPRB 5560, and EPID 4070. Additionally, many of the major electives have pre-requisites.

Study abroad courses may work as major electives. Talk to your advisor.

First Aid and CPR certification is required prior to registration for HPRB 3470.

It is recommended that all HPRB students compile and maintain a portfolio documenting and exhibiting work or experiences gained throughout the undergraduate program.
