CLASSICS STUDY ABROAD IN ROME : PERSONAL INFORMATION FORM

We request the following information for administrative purposes within the program. All of this information is entirely voluntary, and will be kept completely confidential. It will help us in determining and making the best and most suitable arrangements for each applicant.

Name: \_\_\_\_\_ SS#: \_\_\_\_\_

Do you have any preference(s) or requests for roommate(s)? \_\_\_\_\_

\_\_\_\_\_

Do you smoke? \_\_\_\_\_ Yes \_\_\_\_\_ No

Do you have any allergies to specific types of food? \_\_\_\_\_ Yes \_\_\_\_\_ No

If your answer is YES, please list these allergies here:

\_\_\_\_\_

\_\_\_\_\_

Are you a vegetarian? \_\_\_\_\_ Yes \_\_\_\_\_ No

If you are a vegetarian, please complete the remainder of this form, providing us with as much information as you can. Please be aware that Italy, as a country, has FAR fewer vegetarians than the United States, and the accommodation for vegetarianism will be much less than you may be accustomed to, often little more than replacing meat on the second dinner course with a piece of cheese or with eggs. Vegetarians should plan to come with extra money to supplement their meals.

USEFUL INFORMATION FOR THE PROGRAM: If you are a vegetarian, red meat obviously is excluded from your diet. Virtually all pastas and soups served as first courses at dinner will be prepared without meat, or can be offered without it. Second courses are more difficult to accommodate; please indicate below what your other needs may be, so that the staff may do their best to help you.

In addition to red meat, I also do NOT eat the following:

\_\_\_\_\_ Chicken / Turkey \_\_\_\_\_ White Fish \_\_\_\_\_ Shellfish

\_\_\_\_\_ Cheese \_\_\_\_\_ Other Dairy Products (esp. eggs)

If there are ANY other dietary needs or restrictions NOT covered above, or other things we need to know, PLEASE tell us about them here (use an extra page if needed):
