Kindermusik "Summer Sampler" Themes

WEEKS 1-2: FUN ON THE FARM

Howdy, Pardners! Rev' up your tractors and head down to the farm for hayrides, hoe-downs, and a hoppin' good time! Visit your favorite farm animals and even an instrument petting zoo!

WEEKS 3-4: CIRC-DU-LET'S PLAY!

Step right up and join us "under the big top" as we clown around at the circus and perform amazing feats like tight rope walking and lion taming! Enjoy a spin on the Merry-go-round and try your luck at the hoop toss!

WEEKS 5-6: BEACH BONANZA

Sail away with us on an ocean voyage and beach bonanza! We'll meet sea creatures, fly kites, play seashell instruments and have some beach ball fun! It's "shore" to be a crab-crawling, whale-spouting, seagull-soaring good time!

WEEKS 7-8: CELEBRATE AMERICA!

Join the parade as we celebrate America with patriotic dances, streamers, marching bands, and even some "fireworks" (Don't worry, parents, they're quiet and fire-free!) It's good all-American family fun, Kindermusik style!
