#### Join us for an informal and FREE "Meet and Greet Session"

Thursday January 15, 5:15-6pm, Room 304

This is a new program for the Community Music School and we have purposely not set age limitations on enrollment while we discover the needs of the community. Please plan to join us for an informal Meet and Greet Session in the School of Music building. For the student, this will be a free "preview" of a music therapy class and your chance to meet our music therapy faculty. It will be our chance to meet you and your family so appropriate class activities can be planned for the semester to suit everyone's needs.

Students will be expected to display behavior that is appropriate and conducive to the music therapy group setting. Behaviors that are highly disruptive to the group or that put other students or teachers at risk are not appropriate. While we will make every attempt to work with and include all students in the group, it is possible that our music therapy faculty may suggest alternate placement following our Meet and Greet Session for students who may be unable to maintain these standards of behavior. Please understand that any recommendations will be made in an effort to benefit everyone involved.

**Please return this registration form prior to the Meet and Greet Session so we know to expect you. Tuition does NOT have to be paid until AFTER the Meet and Greet date but must be received by January 22 for class participation.**
